

Dear new Patient,

I would like to take this opportunity to welcome you and thank you for choosing my clinic. My primary concern is to provide you with quality chiropractic care. My goal is to build a relationship with you of confidence and trust. I hope your experience with us will be pleasurable and will make you want to refer your family and friends for the benefits of Chiropractic care with us.

I would like to take a minute to explain some of our office policies at this time.

PAYMENTS

Payment is expected for all services when rendered unless prior arrangements have been made. Payment plans are available and my staff will be happy to discuss them with you. For those who have insurance, as a courtesy, we will verify your insurance coverage at the beginning of your care. However, ***We Can Not Guarantee Benefits***. If you have a hand book you should refer to it or call to verify your benefits yourself. Your carrier does not guarantee the benefits they describe to us over the phone. Claims must be submitted and reviewed. ***Please note.*** Authorization by a utilization review board does not guarantee payment of those visits authorized. You are responsible for knowing your insurance limits, maximums and restrictions. *Your care is not based on the number of visits your insurance carrier may authorize, but on the care most appropriated for your condition.* We will also bill directly to your insurance carrier for you as a courtesy and make every attempt to see your claims are paid. If problems occur, we will not enter into any dispute over unpaid claims with your insurance carrier. The contract is between you and your carrier and is your responsibility. All unpaid claims are your financial responsibility. All deductibles and co-payments are due at the time of your visit.

Initials

I welcome your referrals and offer free consultation to your family and friends as a courtesy. This consultation is designed to let them meet the doctor, discuss their concerns and see if chiropractic care is appropriate for them.

Please, if you have any questions or concerns feel free to ask us. My staff is always available to answer your questions and help in any way they can.

Welcome To My Clinic !
